Chapter meets for a Breakfast Meeting/Ride on the 3rd Sunday of the month at

Coco's 1830 Arden Way, Sacramento, Ca

2nd Saturday of the month is our monthly Chapter Ride meet

9:00 Kmart, Sunrise at Coloma

4th Saturday of the month is our monthly Mystery Dinner Ride 4:00 Kmart, Sunrise & Coloma

Notes for the Chapter Director

Well, here we are - - facing another week of rain and cold weather. Although, as I'm writing this, the sun has peeked out among the clouds and it's actually pretty nice outside. I can't believe that February is almost over. What happened to January???

Our Mid-Winter Gathering was held Saturday, February 5th at the Rancho Cordova City Hall conference room. What a great place. The room was huge so there was enough room around tables to walk in comfort. And we used the round tables which seemed much better to me as I could actually talk to everyone at my table. Tony Roraback provided the music, which was, as always, terrific. It was such a good variety of music, a little something for everyone.

My thanks again to Jay Hadley, for arranging the room for us and to everyone who helped set up, decorate and clean up.

There were members from Redding to Fresno in attendance. We had about 75 people and I believe all had a great time. We had many raffle prizes, including a helmet donated by Cycle Gear, a bear made by Phil Messer and two lap quilts that I made as well as a Basket donated by Karen, a quilt and a tool set that Chapter V donated. The winners seemed very pleased. We made \$231 on the raffle and Cathy Cassevah (Ch. V) and I will be asking our respective membership where to send the money. Two places mentioned so far are Helping Hands and Ride for Kids.

Speaking of Cycle Gear, they are off I-80 and Madison, turn left on Date and follow the road into the parking lot then around the corner of the building to the left along the freeway. Since they donated to our raffle, please visit them and see all the goodies that they have in stock. The store is huge. Phil & I bought our leather chaps there as did Mike & Sharon Elliott.

On to March, since it's just around the corner. The **March 12th** ride was supposed to go to the rolling hills around Richmond and Walnut Creek. Mike & Sharon

Elliott pre-rode the route and determined it was too long and not much to see. So, the Chapter ride will now be to Pt. Reyes Station and Muir Woods.

Phil & I pre-rode this with Mike & Sharon on Saturday, February 12th. The weather was perfect. Of course, I had on long underwear, but the weather was cool but not cold. We stopped on the way over for a break and to determine a gas stop. You will definitely want to have a full tank to start and gas up during the breaks as gas on the coast is really expensive or as I have heard lately, they really, really like their gas. We stopped at a deli near Pt. Reyes Station to buy a sandwich for lunch. We all got the whale club sandwich and I highly recommend it. It was delicious.

We went to the park area of Stinson Beach and ate lunch. I was surprised at how many people were on the beach and in the water. BRRRR!! Off we went to Muir Woods National Park. Once there, you park, then pay to enter the woods. The cost is \$10 for adults or a geezer (Sharon's word) or other National Park pass. Our passes were good for two people.

We took our time and arrived home at about 5 p.m. It was a really good ride and I hope you have good weather and are able to participate.

Our next breakfast meeting is on **March 20th** with a ride to the Clear Lake area. And the dinner ride is on **March 26th**. Phil & I will be gone to Maui again for the month of March, but I will find out who was at rides and breakfast, so please attend as many events as you can. We have fun, fun, fun!! I'm hoping the weather will cooperate and you have clear, sunny riding weather and not that old rain again.

April 9th is our ride to Virginia City. We will meet at **8 a.m.** at K-Mart instead of our usual 9 a.m.

Also in April is Chapter T's Shriner's Toy Run on the 16th, Chapter V's Annual Delta Poker Run April 17th, and Chapter O's Fallen Rider Memorial Run on April 30th. See the website for dates or pick up a list at the meeting.

May is the month for our Not Quite Mother's Day campout on May 13th - May 15th at Orchard Campground at Rollins Lake.

There is also the Cinco De Mayo campout by Chapter T May 6th – May 8th and the Annual Hobo Reunion in Bishop the same weekend.

Our Northern California Spring Fling in Sonora is on Memorial Day weekend, May 27th – May 30th. This year's theme is the 60's. Do any of us remember the 60's???

With so many varied events coming up, we are going to be very busy riding. Please try to attend as many events as you can. We had many members from other Chapters attend our Mid-Winter Gathering and it's always fun to see friends more often.

I have one last item to tell you about. Our Chapter shirts have been completed and I will be handing out the blue shirts at the breakfast meeting to all those who have attended at least 3 events this past year. The gold shirts will be available for purchase as soon as a price is determined.

That's it for now. Please let me see your smiling faces soon.
